Dear Mr. Smith:

Attached is a summary of total permitted, disturbed areas for those mines in which amendments have been filed for. I am sending this to you as per my conversation with Ron Daniels on April 9, 1981 in which he suggested I do this to verify our records with regard to the new contract. If these figures do not agree with your records or I can provide additional information, please contact me. Thank you.

Sincerely,

Richard A. Dye
Chief Engineer
